MAVEN - IELTS

International English Language Testing System

We are an institute based at Jodhpur preparing for IELTS Exam and are also Abroad Education Consultants. This is a mandatory exam to procure admissions outside India and also this exam can be taken if someone wants to take Permanent Residency (PR).

In my 18 years of experience, I have seen people coming up with an idea of this exam to be either very easy or very tough. We at Maven have introduced module based preparations for IELTS exam.

I would like to share five tips to prepare:

- 1) Vocabulary is the backbone of IELTS- LEARN IT
- 2) BBC is an amazing channel for preparation-LISTEN TO IT
- 3) Recall the incidences & experiences of your life, since childhood-SPEAK IT
- 4) Interest yourself in finding articles for your topics of interest -READ IT
- 5) Social, Political, Environmental Essays are one of the best ways to analyse your intellect- WRITE IT

These tips cover all the four sections of IELTS (Listening, Reading, Writing, and Speaking) with an unavoidable tool of Vocabulary. Our past records speak for our success, 350+ students have cleared IELTS with more than 6 Bands. 50+ students have got overall 8 Bands which marks the remarkable presence in this sector. At Maven an IELTS aspirant finds everything he needs, Guidance, Study Material, Mock Tests, Environment and Practice.
